*Complaint in regard to Arthur Wightman, candidate on Nov. 8, 2005,  
for District 1 director, North Mason School District 403*

I and others attempted to contact Mr. Wightman by telephone on several occasions and at different times of the day and night starting the end of the week before the election. His phone was not answered and he did not have an answering machine connected so that we could leave a message.

We were attempting to arrange a time to view his PDC records. Mr. Wightman's campaign paid for a large number of newspaper advertisements and several oversized road signs as well as other campaign material. I want to know if he exceeded the \$3,500 limit for simple PDC reporting. I also want to know who contributed to his campaign.

On Nov. 8, I saw him in person at a meeting and informed him of the situation. He said he didn't have written records, that they were kept on his wife's computer. I suggested that he e-mail them to me. He said he would "check with his wife."

On Nov. 9, I saw him at another meeting. At that time he said he "didn't have to" show me his records.

Now that the election is over, I hope the PDC can obtain the information and make it available.
